Stephen H. Bitteker Joins S-Network as Director of Sales

New York, NY, September 15, 2016 — S-Network Global Indexes Inc., a New York-based index publisher, has hired Stephen H. Bitteker as Director of Sales. Mr. Bitteker's role will involve the acquisition and management of full-service and self-indexing clients including registered investment advisors, exchange-traded product sponsors, and mutual fund and insurance companies.

Mr. Bitteker brings extensive experience in investment consulting, fund development and related sales. Previously he oversaw projects that impacted some 900 million USD in assets under management at New York Life Investment Management LLC; developed and launched offshore funds at PineBridge Investments LLC; led a team generating 600 million USD in gross sales at AIM Investments (now Invesco Ltd.); and generated over 1 billion USD in gross sales at MFS Investment Management.

Said S-Network CEO Joseph LaCorte, "Stephen brings a wealth of investment industry know-how to our business development team, which we expect to benefit our clients significantly."

Most recently Stephen managed a consulting firm that provided subject matter expertise regarding strategy, distribution and product development initiatives.

Mr. Bitteker's hiring comes at a key time as S-Network prepares to launch a comprehensive suite of benchmark indexes and expand its presence as a leader in the fields of smart-beta and impact investing.

Said S-Net co-founder Richard Phillips, "Stephen contributes a key capability to S-Network that enables the company to match its core index competences with a keen understanding of channel distribution processes."

About S-Network Global Indexes, Inc.

S-Network Global Indexes, Inc. is a publisher and developer of proprietary and custom indexes. Founded in 1997, S-Network publishes over 200 indexes, which serve as the underlying portfolios for financial products with over USD 6 billion in assets under management.
